# Eman Zulfiqar Ghani

Front-end developer

Rawalpindi,Pakistan     emanzulfiqarghani@gmail.com     +92 3338256129

## OBJECTIVE

I'm a front-end web developer who is motivated to fuse the programming and design arts. I'm a skilled, detail-oriented, self-directed, and organised front-end developer, responsible for the design and implementation of the interface. focuses on guaranteeing excellent performance and responsiveness and improving the user experience. I'm a creative front-end developer who is enthusiastic. Among other technologies, my expertise includes HTML/HTML5, CSS/CSS3, Bootstrap, jQuery, JavaScript, and React.js. I possess the abilities essential to design a responsive user interface, and I have a working knowledge of WordPress, the most popular content management system. My career goal is to become a web developer. Working as a team would help me develop my experience and competence while learning more about this topic. I'm constantly positive and willing to pick up new skills.
